## VISITORS' GUIDE

### GUEST SLIPS

Slips at the Mathews Yacht Club having from 4-1/2 to 6 feet of water are generally available to visiting yacht club members.

The daily guest fee is 75¢ per foot plus a small additional charge for electric hook-up.

### RECIPROCAL AGREEMENTS

MYC has full reciprocal agreements with a number of clubs and offers regular reciprocal privileges to all members of bona fide yacht clubs. Please contact the Club Manager to determine your eligibility.

### FACILITIES

Shower and restroom facilities, located in the club house, are available to guests 24 hours a day.

### FUEL & PUMP-OUT

Gasoline and self-service pump-out are available at the MYC dock. Diesel fuel is available at Narrows Marina (next to the Islander Motel) on Milford Haven.

### VESSEL REPAIR

There are several marine repair facilities in Mathews including haul out, engine and hull repair. Deltaville, a 20 mile drive, or 1+ hours by boat, offers the largest concentration of marine services south of Annapolis. Emergency repairs only are permitted at MYC facilities.

### RESERVATIONS

Reservations for slips or dinner may be made by calling the club at 804-725-3165.

MYC is a "bottle club" licensed to sell beer and wine. Guests desiring mixed drinks should bring their own provisions and contact a bartender for instructions.

### PROVISIONS

The village of Mathews, located approximately 5 miles from the club, offers a complete selection of groceries, liquor, hardware, propane, block or cube ice, etc.

There is no public transportation to the village, however, often members will be glad to give a visiting yachtsman a lift to and from the village.

### DIRECTIONS TO MYC BY CAR

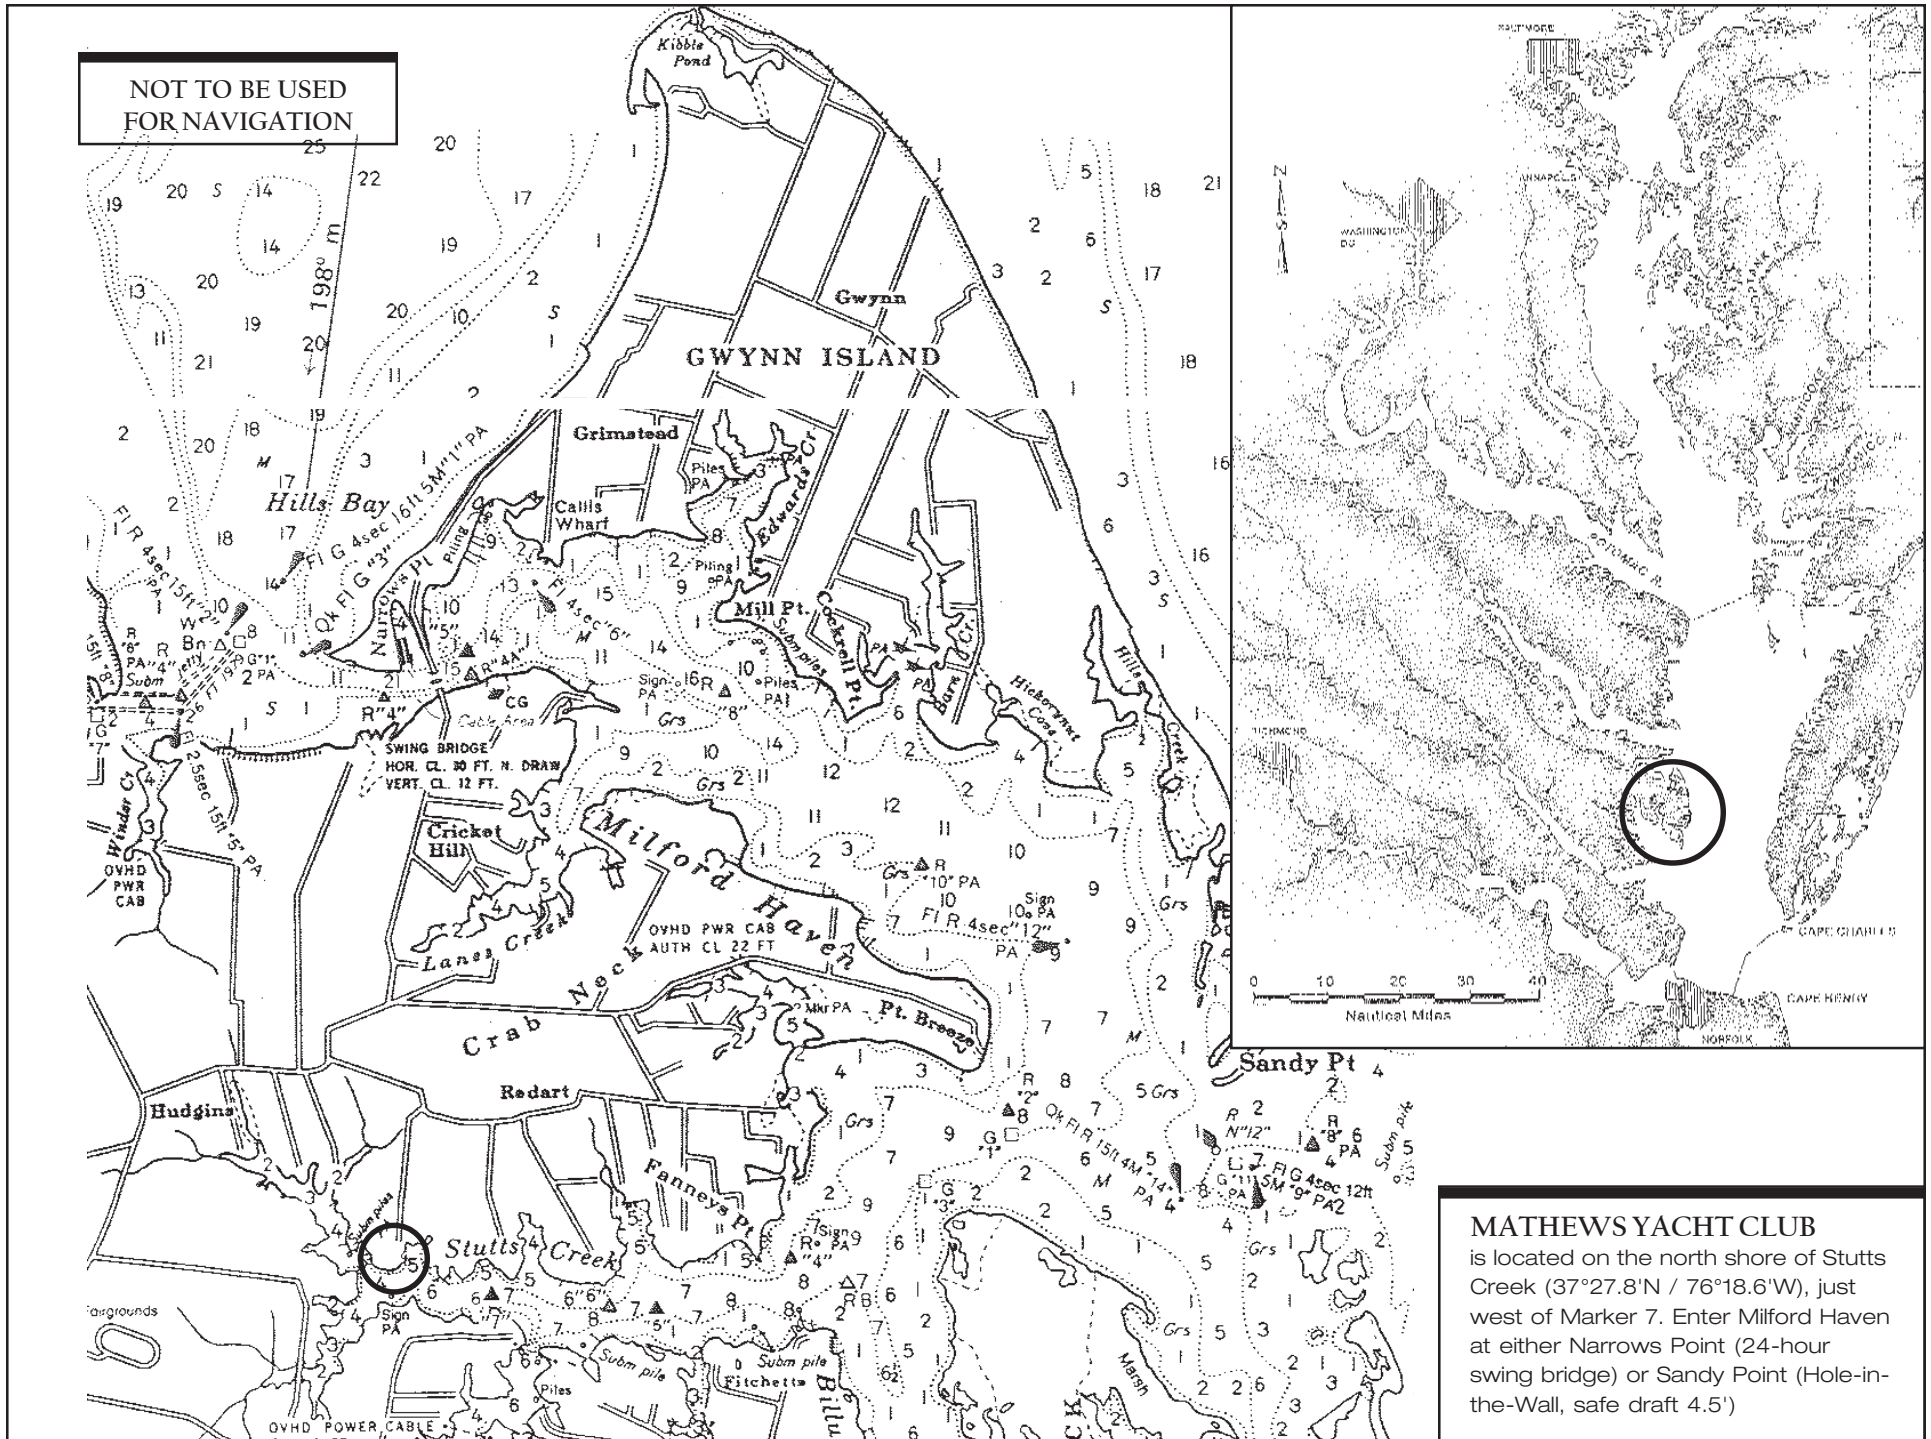

From Route 198 in Mathews County, take Route 223 at Hudgins toward Gwynn's Island. Turn right on Route 639 (Redart), turn right again on Yacht Club Road, follow to end then right at MYC sign.

### DIRECTIONS BY BOAT

Located on the north shore of Stutts Creek (37°27.8'N and 76°18.6'W), just west of Marker 7. Enter Milford Haven at either Narrows Point (24-hour swing bridge), or Sandy Point (Hole-in-the-Wall, safe draft 4.5').
